REMARKSAmendments

The claims have been amended to delete claims drawn only to copolymers and present only claims drawn to electrophotographic toner compositions. Thus, originally presented toner composition claim 9 has been cancelled in favor of amended claim 1. The language of claims 11 and 12 has been clarified. Claim 12 has been amended to insert language regarding the S and D material portions of the amphipathic copolymer. Additionally, method claims (beginning at claim 14) have been amended to provide methods of making electrophotographic toner compositions.

It is respectfully submitted that no new matter is introduced by these amendments.

Discussion

The above amendments are responsive to responsive to a telephone interview held September 6, 2005, in which the Examiner indicated that claims would be allowable if limited to electrophotographic toner compositions and methods of making same.

Conclusion

In view of the above remarks, it is respectfully submitted that the present claims are now in condition for allowance. In the event that a phone conference between the Examiner and the Applicant's undersigned attorney would help resolve any issues in the application, the Examiner is invited to contact said attorney at (651) 275-9811.
